

Accounting

Angela K. Davis, Department Head

Undergraduate Advising Office
203 Peterson Hall

Accounting students are highly recruited by a variety of organizations—taking positions in public accounting firms, industry, and government. Accountants deal with issues ranging from the design of information systems to the formulation of acquisition strategies. Given the growing internationalization of business, career paths can even lead to exciting opportunities abroad. Accounting graduates of the University of Oregon include Phil Knight, Nike cofounder and chairman, and Charles H. Lundquist, the namesake of the UO business college.

The challenging curriculum emphasizes the development of skills in problem-solving, analytical reasoning, and written and oral communication. Students participate in various real-world projects and obtain considerable computer experience. The relatively small size of the program allows meaningful student-faculty interaction. The School of Accounting is one of only 120 accounting programs accredited by AACSB International.

Faculty

Peter Brandt, instructor (financial accounting). BS, 1965, North Dakota. (2007)

Robin P. Clement, senior lecturer (financial accounting theory, consolidations). BSBA, 1979, Ohio State; MBA, 1983, Wisconsin, Milwaukee; PhD, 1994, Michigan State. (2003)

Angela K. Davis, Jack O. Rickli Professor of Business (financial reporting, valuation). BS, 1993, Idaho; PhD, 2001, Washington. (2006)

David A. Guenther, Scharpf-Knight Professor in Business (taxation, financial reporting). BA, 1976, California State, San Bernardino; PhD, 1990, Washington. (2005)

Michele C. Henney, senior lecturer (auditing, taxation, financial accounting). BS, 1982, California State; MS, 1988, Golden Gate; PhD, 1994, Oregon; CPA, Oregon. (2004)

Nicole Bastian Johnson, associate professor (managerial incentives, performance evaluation). BS, 1996, MAcc, 1996, Brigham Young; MS, 2002, PhD, 2005, Stanford. (2013)

Drummond Kahn, instructor (auditing). BA, 1989, Whitman; MS, 1990, Oregon. (2000)

Linda K. Krull, associate professor (taxation, financial accounting); alumni investment management professor. BS, 1992, Indiana, Bloomington; MAcc, 1994, Florida; PhD, 2001, Arizona. (2008)

Steven R. Matsunaga, Charles E. Johnson Memorial Professor of Accounting (executive compensation, managerial incentives). BA, 1979, San Francisco State; MBA, 1984, William and Mary; PhD, 1992, Washington (Seattle). (1992)

Sarah Nutter, professor; Edward Maletis Deanship in the Lundquist College of Business.

Kyle Peterson, associate professor (financial reporting and disclosure). BS, 2001, MAcc, 2001, Brigham Young; PhD, 2008, Michigan, Ann Arbor. (2008)

Joel Sneed, senior instructor (financial and international accounting, corporate and individual taxation, accounting information systems). BS, 1986, MA, 1988, Appalachia State; PhD, 2001, Arizona. (2000)

Michael P. Tomcal, instructor (financial accounting, cost accounting, federal taxation). BS, 1982, DePaul; MEd, 2005, Oregon State; MActg, 2005, Oregon. (2006)

Ryan J. Wilson, professor (taxation, financial accounting); Richard W. Lindholm Distinguished Scholar in Taxation. BS, 1999, Oregon; PhD, 2007, Washington (Seattle). (2013)

Emeriti

Helen Gernon, professor emerita. BBA, 1968, Georgia; MBA, 1972, Florida Atlantic; PhD, 1978, Pennsylvania State; CPA, Florida. (1978)

Raymond D. King, professor emeritus. BS, 1971, Montana State; MBA, 1974, Montana; PhD, 1980, Oregon; CPA, Montana. (1982)

Dale Morse, professor emeritus. BA, 1969, MBA, 1975, Oregon; PhD, 1978, Stanford. (1991)

The date in parentheses at the end of each entry is the first year on the University of Oregon faculty.

- Bachelor of Science

Undergraduate Programs

Academic Requirements

To earn an undergraduate degree in the Lundquist College of Business, a student must be an admitted major in good academic standing with the college and the university. Two sets of requirements must be completed: general university requirements and college requirements.

The college is firmly committed to an undergraduate degree program in business based on a solid foundation in the arts and sciences. Students may not earn two majors in the Lundquist College of Business; in other words, a student who has an undergraduate degree in business administration cannot earn another undergraduate degree from the college. See the **Bachelor's Degree Requirements** section of this catalog for specific requirements for bachelor's degrees and for general-education and university requirements.

Students must satisfy the upper-division business core and major requirements in effect when they are admitted as majors.

For a more detailed explanation of requirements for majors, students should pick up the undergraduate degree programs handout in the Advising Office.

Business Premajor Admission

New students planning to earn a bachelor's degree in the Lundquist College of Business enter the university as business premajors. Transfer students and university students from other majors may become business premajors by submitting a Request for Addition or Deletion Major form, available in the Advising Office. Students who seek premajor status in business should meet with an advisor in the college if their GPA is

below 3.00. Business premajors typically are not eligible to take most 300- and 400-level business courses. Business premajor status does not guarantee admission to the accounting or business administration major.

Business premajors typically spend the first two years fulfilling general education and premajor requirements.

Premajor Requirements

Junior Standing

Course work of 90 or more credits must be complete.

Cumulative GPA Requirement

Guaranteed admission requires a 3.00 cumulative grade point average in all college course work, including transfer work. The college includes all course work when calculating the cumulative GPA for admission to the major

Holistic Review

Students who have taken all required business premajor course work but fall slightly below the minimum GPA requirements may be considered for admission under a holistic review process. For more details, interested students may visit an academic advisor in 203 Peterson Hall.

English Competence

International students must have a Test of English as a Foreign Language (TOEFL) score of at least 575 (paper-based test), 233 (computer-based test), 89 (Internet-based test), an International English Language Testing System (IELTS) score of 7.0, or have completed the Academic English for International Students (AEIS) program.

Business Premajor Courses

Code	Title	Credits
Core Courses ¹		
BA 101	Introduction to Business	4
ACTG 211	Introduction to Accounting I	4
ACTG 213	Introduction to Accounting II	4
EC 201	Introduction to Economic Analysis: Microeconomics	4
EC 202	Introduction to Economic Analysis: Macroeconomics	4
Additional Courses ²		
BA 240	Managing Business Information	4
MATH 241	Calculus for Business and Social Science I	4
MATH 242	Calculus for Business and Social Science II	4
MATH 243	Introduction to Methods of Probability and Statistics	4
Select one of the following:		8
WR 121 & WR 122	College Composition I and College Composition II	
WR 121 & WR 123	College Composition I and College Composition III	
Total Credits		44

¹ A 3.00 GPA and a minimum grade of C– in core courses are required for guaranteed admission to the major. Premajor requirements must be taken for letter grades. The university limits retaking of courses in which a P or mid-C or better is earned; a petition will be required.

When repeating a core course, only the second grade is used in calculating the core GPA. Core courses may be repeated only once (including marks of W, N, F, D, C–).

² Must be taken for letter grades and passed with grades of C– or better.

³ Once admitted to the University of Oregon, premajor core business courses must be taken at the University of Oregon.

Application to the Major

Students must submit a formal application for admission to the major. Students apply for major status one term before they plan to take upper-division business courses.

Applications are due the first week of the term for admission the following term. To be eligible for admission as a major, a student must apply before the term deadline. Applications are not accepted during summer session. Application forms are available on the college website. Students who are completing their final term of business premajor requirements may submit applications.

Upper-Division Core

Code	Title	Credits
FIN 311	Economic Foundations of Competitive Analysis	4
MKTG 311	Marketing Management	4
FIN 316	Financial Management	4
MGMT 321	Managing Organizations	4
BE 325	Global, Legal, Social Environment of Business	4
OBA 330	Business Statistics	4
OBA 335	Operations Management	4
OBA 340	Business Information Systems	4
BA 352	Leadership and Communication	4
BA 453	Business Strategy and Planning	4
Total Credits		40

Upper-division core courses typically are completed during junior year.

Bachelor of Arts Degree Requirements

Code	Title	Credits
ACTG 350–352	Intermediate Accounting I-III	12
ACTG 360	Cost Accounting	4
ACTG 440	Auditing and Information Systems	4
ACTG 450	Advanced Financial Accounting	4
ACTG 470	Introduction to Federal Taxation	4
Total Credits		28

Bachelor of Science Degree Requirements

Code	Title	Credits
ACTG 350–352	Intermediate Accounting I-III	12
ACTG 360	Cost Accounting	4
ACTG 440	Auditing and Information Systems	4

ACTG 450	Advanced Financial Accounting	4
ACTG 470	Introduction to Federal Taxation	4
Total Credits		28

The 400-level courses are typically taken in the senior year.

Upper-division accounting credits applied toward the major must be taken at the Lundquist College. Exceptions require explicit approval from the accounting department head.

Students who plan to sit for the Certified Public Accountant Examination in Oregon are encouraged to consider completing the master of accounting program. More information can be found online under programs at the college's website.

Four-Year Degree Plan

The degree plan shown is only a sample of how students may complete their degrees in four years. There are alternative ways. Students should consult their advisor to determine the best path for them.

Bachelor of Arts in Accounting

Course	Title	Credits	Milestones
First Year			
Fall			
BA 101	Introduction to Business	Aim for a B or better	4
BA 199	Special Studies: [Topic]		1
Academic Residential Community or FIG seminar			
MATH 111	College Algebra	Beginning math course may change based on placement or transfer work	4
TLC 199	Special Studies: [Topic]		1
First term of first-year second-language sequence			
		Six terms of a language can fulfill both nonbusiness breadth and global context requirements for the major	5

Study skills course work	Attend study-abroad and club fairs in first term; review the holistic requirements for admission to the major and establish a plan for developing these traits
--------------------------	--

Credits			15
Winter			
EC 201	Introduction to Economic Analysis: Microeconomics	Aim for a B or better	4
MATH 241	Calculus for Business and Social Science I		4
WR 121	College Composition I		4
Second term of first-year second-language sequence			
		Get involved in a club or activity. Meet with an academic advisor to make a long-term plan. Use Career Services this year to learn to write an evidence-based cover letter and résumé.	5

Credits			17
Spring			
EC 202	Introduction to Economic Analysis: Macroeconomics	Aim for a B or better	4
MATH 242	Calculus for Business and Social Science II		4
WR 122 or WR 123	College Composition II or College Composition III		4

Third term of first-year second-language sequence	Access resources for additional academic success (University Teaching and Learning Center, tutoring). Consider applying for the job shadow program. Plan to attend the spring career fair to network and learn.	5
Credits		17
Total Credits		49

Graduate Programs

Master of Accounting

Robin P. Clement, Director
308A Peterson Hall
541-346-3295

The master of accounting (MActg) is designed for students whose undergraduate major is accounting or the equivalent. The program is constructed so that it can be completed in three terms (one academic year) of full-time study. The curriculum is designed to sharpen written and oral communication, leadership, critical thinking, and analytical skills that are needed to excel in the accounting profession.

Program Requirements

The program requires an undergraduate degree in accounting or the equivalent.

MActg Course Requirements

Accounting courses	30
Five electives outside accounting ¹	15
Total Credits	45

¹ The plan of study for the electives outside of accounting is determined by the student and the program director.

Visit the college's master of accounting website (<https://business.uoregon.edu/MACC>) for more information.

Doctoral Program

Faculty expertise focuses on federal income taxation, disclosure of financial information, and use of accounting information in corporate governance.

The student's program must satisfy the requirements of the Graduate School and the following requirements of the Lundquist College of Business.

The doctoral program requires four to five years of work while in residence on the Eugene campus.

PhD Degree Requirements

Code	Title	Credits
Nine doctoral courses ¹		
Five or more graduate-level statistics courses ²		
Three graduate-level economics, mathematics, or behavioral science courses ³		

¹ The department specifies the courses. At least three courses must be taken at the University of Oregon after admission to the doctoral program.

² Grades of mid-B or better are required; none of these courses may be taken pass/no pass. These courses may be taken outside the Lundquist College of Business. At least three courses must be completed at the university after admission to the doctoral program.

³ Courses in these areas of study are subject to final approval by the student's advisory committee and the director of doctoral programs. Each course used to meet this area requirement must be passed with a grade of mid-B or better, and at least two courses must be completed at the university after admission to the doctoral program.

Competence in Specialty

Students are expected to master the literature and techniques in their area of concentration, prepare to write an acceptable dissertation, and perform high-quality research. Competence is demonstrated by passing a departmental written comprehensive examination and by successfully completing one or more required research papers. The department specifies the number of required papers. To be eligible to take a comprehensive examination, students must have completed most of the course work required in the area.

Competence in Statistics and Research Methods

If the department requires an examination in statistics and research methods, it is administered and graded by a committee that includes at least two operations and business analytics faculty members appointed by the director of doctoral programs.

Examinations

Students must pass one written comprehensive examination in their area of concentration. Examinations are graded *high pass*, *pass*, or *no pass*. For examinations given in separate and predesignated parts, the grade may apply to each subpart. All grades are outright; a conditional pass is not permitted.

In the event of failure, a student may be allowed to retake a comprehensive examination or predesignated subpart one time, at the discretion of the department in which the student is majoring. Normally, the examination or predesignated subpart should be retaken during the term following the initial attempt, but it may be taken no sooner than two months after the initial attempt. Failure to pass the comprehensive examination or a subpart on the second attempt results in automatic termination from the PhD program.

Advancement to Candidacy

The student is advanced to candidacy for the PhD degree after satisfying the preceding requirements and upon recommendation by his or her advisory committee to the Lundquist College of Business and to the Graduate School. Advancement must occur no later than three years after the student's entry into the doctoral program.

Dissertation

The student must complete a dissertation embodying the results of research and showing evidence of originality and ability in independent investigation. The dissertation must show mastery of the literature and techniques, be written in creditable literary form, and make a contribution to knowledge.

The student is responsible for formation of a dissertation committee, subject to approval by the Lundquist College of Business and the Graduate School of the university. This committee includes at least three regular faculty members of the college and at least one member from outside the college. The chair of the committee serves as the student's primary dissertation advisor. Before the dissertation topic is accepted by the dissertation committee, the student makes an oral presentation and defense of the research proposal and design. When the topic is accepted by the committee, a copy of the proposal, signed as approved by the committee, is placed in the candidate's file.

The dissertation must be completed within four years of the student's advancement to candidacy. Upon petition to and approval by the PhD program committee and the Graduate School, this period may be extended for one year. Failure to complete the dissertation within this time period invalidates the student's comprehensive examinations and advancement to candidacy. The student must successfully defend the completed dissertation in a public oral examination and defense before the dissertation committee.

Grade Point Average (GPA)

The student must maintain a cumulative GPA of 3.00 or higher in graduate courses.

Termination from Program

A student's participation in the PhD program may be terminated under one or more of the following conditions:

- failure to make satisfactory progress toward advancement to candidacy
- a GPA below 3.00 for two consecutive terms
- failure to complete a dissertation within four years after advancement to candidacy

The decision to terminate will be made by the director of the PhD program after consultation with the PhD coordinator and faculty members of the department in which the student is majoring.

A student dropped from the program is notified in writing, with reasons for termination clearly explained, and a copy of the letter is placed in the student's file. The student has the right to appeal the termination decision by submitting a petition to the senior associate dean for academic affairs.

Waivers

Waiver of any of the above requirements is permitted only in exceptional instances and with the approval of the candidate's program committee,

the PhD program committee, and the director of PhD programs. Under no circumstances can requirements of the Graduate School be waived by the Lundquist College of Business.
