The Center for Multicultural Academic Excellence is committed
to the retention, support, and academic success of historically
underrepresented and underserved populations, including low-income,
first-generation, and multiple-identity students. The center provides
academic services, leadership development, cultural programming,
and dedicated space structured around a program of best practices for
student access and success. Services include but are not limited to the
following:

- academic advising and support
- scholarship administration
- leadership development and mentoring
- cultural programming
- advocacy (academic petition; financial aid; bias or discrimination)
- graduate school preparation
- tutorial assistance
- dedicated space (computer laboratory with printing privileges)
- selected course offerings with preregistration, including

The Center for Multicultural Academic Excellence sponsors the Reach
for Success middle school visitation program, a multicultural Awards
and Graduation Ceremony, and multicultural speakers and presenters.
The office also provides technical, advisory, and financial support of
student organizations, and it enhances the new student experience by
participating in IntroDUCKtion, Week of Welcome activities, Duck Days,
and a fall orientation retreat for new students of color.

Services are free. All students, in particular those historically
underrepresented, are encouraged to use the center.
