Honors Lists

Dean’s List

The Dean’s List is announced after each fall, winter, and spring term. To qualify, a student must be an admitted undergraduate, complete at least 15 credits for the term, and have a term GPA of 3.75 or better; 12 of the 15 credits must be graded. Credits deducted for regression do not count toward the 15-credit requirement. Grade changes recorded through the second week of the subsequent term resulting in a change to the term GPA can affect the Dean’s List notation (removal or addition).

Junior Scholars

The 100 undergraduates with 90 to 134 credits, the last 45 taken at the UO, and the highest GPAs are named junior scholars by the Mortar Board senior honor society during winter term.

Latin Honors

Graduating seniors who have earned at least 90 credits in residence at the University of Oregon and have successfully completed all other university degree requirements are eligible for graduation with Latin honors. These distinctions are based on students’ cumulative GPA levels for each academic year, determined by rounding the previous five-year running average to the first decimal point. Postbaccalaureate students are not eligible for Latin honors. The Office of the Registrar computes Latin honors upon graduation.

Honor Societies

One means of recognizing outstanding students at the University of Oregon is through election to membership in a chapter of a local, national, or international honor society. Criteria for membership and the scope of activities vary. Some focus on scholastic achievement; others consider grades and other factors such as community service and leadership. Some honor societies select members by invitation only; for others, students must submit applications.

Initiation Fees

Many honor societies charge initiation fees. The Olwen William Harris Endowment Fund has been established to help students who cannot afford to pay initiation fees. To receive money from this fund, students must complete a request form, available from the Office of the Dean of Students. An advisory committee reviews all requests and dispenses the awards.

After screening academic records, a committee of Phi Beta Kappa members makes recommendations to the membership at large. Following an election meeting in late May, elected students are invited to join. Also elected are the Oregon Six—six students voted the most outstanding of those elected to membership that year. Students who accept the invitation to join are initiated before spring commencement. Initiation fee: $85.

Criteria for membership are listed on the Phi Beta Kappa website. Students are typically invited to join the society shortly before they graduate.
